

Pikes Peak Long Ears Association

Membership Registration

The Pikes Peak Long Ears Association is a group of people that have a love of our long-eared friends, namely mules and donkeys. Our goals are to promote mules and donkeys, educate the public on how versatile these equines are, and above all to share in the fun of owning and riding these wonderful animals. We enjoy the camaraderie and share knowledge and bits of long-eared wisdom with each other while we participate in community events, go on trail rides, camp out, compete in equine sporting events, support each other at livestock shows, and much more.

PPLEA was started in 1995 when a mule owner noticed that it was no longer a surprise to see mules in the fields around his home. Mules and donkeys were gaining rapidly in popularity, so he offered to hold a meeting and discuss the possibility of starting a club. He was amazed at the response. Since then, the club has kept active and has seen a positive public response to mules and donkeys. Now when we ride in the Pikes Peak or Bust Rodeo, folks say, "Here come the mules!"

Join us! Our monthly membership meetings are held in Colorado Springs on the first Tuesday of every month at Country Buffet, 751 North Academy Boulevard, in the Citadel Crossing shopping area. The meeting starts at 7pm, but if you'd like, you can get there early for dinner.

We hope to see you soon!
